ADVANCED SERIES: TRI COLOR ELIXIRS

Morrocco Method Tricolor Elixir Set is a threefold Ayurvedic hair and scalp health treatment system based on the principle life forces (doshas) of Ayurvedic medicine: Vata, Kapha, and Pitta. As our most advanced series of elixirs, this potent series of elixirs will help to restore and reconstruct while stimulating the scalp. For more info, visit morroccomethod.com/tri-color

Your Elixir Regimen
Before even starting elixirs, your hair and scalp should be thoroughly detoxified. This is best achieved by switching to a completely natural and holistic hair care regimen with Morrocco Method products. This allows your hair and scalp to be most susceptible to the elixirs, so not a drop is wasted. A good rule of thumb is to be over the potential detox period or at least three months into a holistic regimen. If doing a full Elixir regimen, wait one month after God/Goddess Elixir series before starting the Tri-Color.

Amber Vata Elixir • Mild
It is very effective if you are experiencing thinning or hair loss. Amber Vata begins hair treatment very gently by nourishing the scalp and addressing dandruff. You will notice restored shine and luster to your hair.

Emerald Kapha Elixir • Moderate
It aids preventing thinning and hair loss, as well as stimulating follicles, roots and sebaceous glands to promote healthy growth. This Elixir also promotes healthy scalp reconstruction.

Ruby Pitta Elixir • Strong
This powerfully stimulating root toner prevents the unhealthy bacterial growth that impedes hair and scalp health while stimulating and protecting your scalp against hair loss.

How and When to Apply Elixirs
Application:
• Apply to hairline and thinning areas 1-3 hours before bedtime
• In the morning, brush your hair with a natural boar bristle brush
• You may apply Elixir to ends of hair if dry
• DO NOT use Euro Oil while using the Elixirs

Schedule:
• Week 1: Amber Vata
• Week 2: Emerald Kapha
• Week 3: Ruby Pitta
• Week 4: Rest/Zen Detox
• Repeat until Elixirs are gone
• Series best used in Spring, Summer, and Fall
