

MORROCCO METHOD SHAMPOOS

How to Shampoo:

Perfect shampooing requires washing twice. The first wash loosens debris, dead skin cells, and excess oils from the hair and scalp. The second wash flushes all the loosened material out, allowing the shampoo to nourish the hair with a longer scalp massage.

Dilute: Our shampoos are super concentrated, dilute it 1:1 with water for easier application.

First Wash: Apply shampoo to wet hair, massage lightly to hair and scalp. It won't lather. Rinse.

Second Wash: Apply shampoo again, massage longer to stimulate blood flow to scalp and hair. Rinse again. Follow with Morocco Method Conditioners for added hydration.

Apple Cider Vinegar Shampoo

Fire • For all Hair & Scalp Types

Raw apple cider vinegar balances the pH level of your scalp, stimulating sebaceous glands and blood circulation. Most cleansing and clarifying of the five.

Sea Essence Shampoo

Water • For Normal to Dry Hair & Scalp

Sea vegetables like kelp and blue-green algae hydrate the hair and scalp, repairing brittle strands and reducing breakage.

Earth Essence Shampoo

Earth • For Normal to Oily Hair & Scalp

Natural clays like kaolin and montmorillonite detoxify hair and scalp of toxins and excess oils while rejuvenating the strands. Leaves hair full and lustrous.

Pine Shale Shampoo

Air • For Normal to Flaky Hair & Scalp

Restorative pine shale oil calms irritation and rescues the scalp from flakes, itchiness, and dryness.

Heavenly Essence Shampoo

Ether • For Normal to Damaged Hair & Scalp

This synergistic blend of beneficial plant extracts adds shine, softness, and manageability to damaged, weak hair.
